Signature of University Contracts

Only a small number of individuals at the University of Wisconsin-Madison have been delegated the authority to sign contracts on behalf of the University. Those individuals, discussed below, derive their authority from either the Board of Regents of the University of Wisconsin System, pursuant to Chapter 36 of the Wisconsin Statutes, or from the Wisconsin Department of Administration, pursuant to Chapter 16 of the Wisconsin Statutes. Consult the information below to determine whether a document requires an official University signature, and to determine the appropriate process for obtaining such a signature if necessary.

Necessity of Official University Signature

The first distinction that must be made is whether the document in question is actually a contract requiring an official University signature. Any contract which purports to create a binding legal or financial obligation upon the University will require an official University signature to be valid. The actual title of the document in question is not important, as a “contract,” an “agreement” or a “memorandum of understanding” each have the potential to legally obligate the University to undertake certain actions or pay certain amounts. If there is any doubt as to whether a contract or other form might require an official University signature, contact Nancy Lynch or Andrew Norman in the Office of Legal Affairs.

Purchasing Contracts

The second distinction that must be made is whether the contract in question is a purchasing contract. Unlike other contracts the University enters into, the campus authority to enter into procurement contracts derives from Section 16 of the Wisconsin Statutes, with delegation directly from the Department of Administration. Contracts under which the University is to pay money for either goods or services must be sent to Purchasing Services for eventual signature by either the Director of Purchasing or one of his or her Delegated Purchasing Services Agents. If your department has a Delegated Purchasing Services Agent, purchasing contracts should be sent to that Agent for negotiation, review and signature. If your department does not have a Delegated Purchasing Services Agent, you should work with central Purchasing Services.

General Signatories

The authority to sign all other contracts derives from delegation from the Board of Regents under Chapter 36 of the Wisconsin statutes. Chancellor Rebecca Blank, Provost Karl Scholz, Interim Vice Chancellor Rob Cramer, Associate Vice Chancellor David Murphy and Assistant Vice Chancellor of Business Services and Controller David Honma have the authority to sign any contract for the University on behalf of the Board of Regents of the University of Wisconsin System. However, other University personnel have been granted limited authority to sign certain contracts within their area of expertise. If you have a contract that falls within one of the categories listed below, please route the contract to the signatory listed. If the proper University signatory is unclear, contact Nancy Lynch or Andrew Norman in the Office of Legal Affairs.

Signatories with Limited Delegation

Outside of the general signatories, various individuals on campus have been given limited signature authority for contracts that fall within their areas of expertise. If you have a contract that falls within one of the categories listed below, please route the contract to the signatory listed.

Other Miscellaneous Contracts

Board of Regent Approval

Please be aware that any contract with a for-profit entity where the cumulative dollar amount exceeds \$1,000,000.00 must receive Board of Regents approval prior to signature. Please be advised that any such contract will need to be submitted well in advance to the Board for inclusion on its monthly meeting agenda. Please alert Interim Vice Chancellor for Finance and Administration Rob Cramer as soon as you become aware of a contract that will require Board approval. Contracts with a for-profit entity where the cumulative dollar amount is between \$500,000.00 and \$1,000,000.00 must be reviewed by the Office of Legal Affairs (OLA). Nancy Lynch or Andrew Norman in OLA will facilitate this process.
